

Sunclocks: Paper Sundials to Make and Use

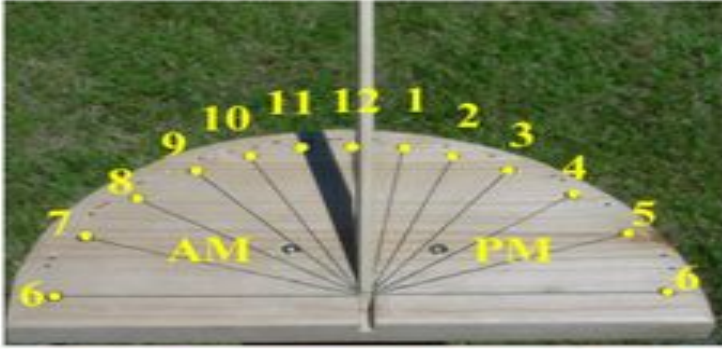

Ms. Hutton

Resource: Make a Sundial - Free Lesson Plan for Grade 1 - 3 from 'Eye on the Sky'

Science

Students will build sundials and observe shadows as the Sun's position changes; measure shadows and note the position of the Sun; identify patterns of change in the shadows; predict the length of shadows and where they will fall on the sundial; share data with peers, and discuss how sundials serve as clocks.
